GOODProjects DC Government Grant Draft DC Commission on the Arts & Humanities: FY27 Field Trip Experiences (FTE) Grant

STATUS: Draft for Neo's go/no-go review. Not yet submitted. This proposes a NEW field trip GOODProjects has not yet run. Stephanie Page-Baxter or Phileke Holland should confirm this is deliverable before it goes out.

SOLICITATION DETAILS

Ask Amount	\$4,500
Deadline	Friday, July 24, 2026, 5:00 pm ET (confirmed via CAH's official Field Trip Experiences grant page at dcarts.dc.gov/grants/field-trip-experiences , which resolves the earlier July 24 vs. July 27 discrepancy in favor of July 24)

Program Officer	Not listed in the dev bible entry and not surfaced in public search results. Contact CAH generally through dcarts.dc.gov before submission.
Go/No-Go Confirmed	Not yet. Routing to Neo.

VERIFY BEFORE SUBMITTING: this proposes a field trip to Arena Stage that GOODProjects has not yet scheduled. Confirm with Stephanie Page-Baxter (Director of Youth Programming) and Phileke Holland (Afterschool Lead) that this is realistic to deliver in the FY27 program year before submitting. Also confirm whether any of GOODProjects' partner schools (Amidon-Bowen Elementary, Jefferson Middle) carry Title I status, since that determines eligibility for Arena Stage's \$4/ticket D.C. Ticket Partnership rate referenced in the budget below.
